

Siloam Missionary Homes

A place missionaries call home

January 10, 2012

Dear Faithful Friend,

Greetings from Siloam Missionary Homes in Snow Camp, NC. It is hard to believe how quickly time has gone. This year, we are celebrating twenty (20) years as a ministry. The Lord has been so good and this place has touched the lives of hundred of missionaries from all over the world. Last year alone, we provided homes for 117 missionaries from 14 countries! We have watched missions change through the years, but one thing remains the same – missionaries all need a home. Siloam has been building since the beginning and we continue to build. To think that 20 years ago, when Joyce and I stood on the edge of the original 16 acre tract of woods, that God would use all of us to build the 33.5 acre campus that we live on today. Last spring, we paid off the mission mortgage on the original property and purchased the seven acres that adjoin us.

We praise the Lord for the radio program, "A Place Missionaries Call Home," that enables us to share with a larger audience across America every week. That is being sponsored by Christian business people. It is uploaded to iTunes so that people around the world can hear the message. Also, the missionaries we interview are able to present their ministry to a wide area of listeners, at no cost to them.

This year, we have many events planned and will be passing information on to you. You will want to mark your calendar for September for our 20th anniversary celebration. We want everyone who has ever been a part of Siloam to "come home."

We are excited about the ongoing work on the Bill and Sandra Rice missionary home that is being built. Lord willing, this will be dedicated at the 20th anniversary celebration. The second phase of our children's Wreck Center is scheduled for completion this year as well, which will provide an exercise area for our missionary families.

Camp Glory Farm – Our prayer is that we can have the farm in operation by Spring. The property has been surveyed and the road put in. We will have several RV sites with full hook ups and places for family camping, as well. The campgrounds will be used for our volunteers, mission guests, and traveling missionaries to stay. The farm area is almost ready for fencing. **There are numerous ways you can be involved and we look forward to seeing and hearing from all of you.**

Thank you for your prayers and financial support for SMH, dear faithful supporter. It is your gifts that keep this ministry moving forward, by God's grace. God has been so faithful. May He bless you for your faithfulness to us. Our mission verse is Hebrews 6:10 "For God is not unrighteous to forget your work and labor of love that you have shown toward His name, in that you have ministered to the saints and do minister." Verse 11 says, "And we desire that each of you show the same diligence to the full assurance of hope to the end, that you do not become sluggish, but imitate those who through faith and patience inherit the kingdom."

To God be the Glory! Go Bold, Dream Big, Finish Well!

Larry George, President
