

Siloam Missionary Homes

A place missionaries call home

January 15, 2015

Dear Faithful Friend,

Greetings in the wonderful name of our Savior and Lord Jesus Christ. I would like to thank you from the bottom of my heart for your faithful prayers, helping hands and for your financial support for Siloam Missionary Homes. Because of your faithfulness, in 2014 we provided homes for 26 families from 19 different countries around the world. Besides providing them a home, we were also able to give them thousands of dollars worth of food and clothing through Dad's Country Store and the Treasure Chest. Through your support, as well, several of our homes have new TV's and / or mattresses. We will be making this one of our ongoing projects to complete in 2015.

Moving into 2015, we continue to work on Camp Glory Farm with plans to complete the doublewide that will be used as a gathering place for our volunteers, and the yurts, which will house them. We praise the Lord for the additional mower that we were able to purchase at a discount, which will be a tremendous blessing to our maintenance staff this summer.

Our 2015 theme is "Hidden Treasures," Proverbs 2:4,5. *"If you seek her as silver, and search for her as for hidden treasures; then you will understand the fear of the Lord and find the knowledge of God."* Seeing and using your hidden treasures (your talents and giftedness for the Lord). We need you to join hands with us and help us complete the task before us.

Looking for fellowship and encouragement? Look at your calendars and pencil in time to come help. Every Tuesday and Thursday, as well as the 2nd Saturday of the month are days that we use volunteers. Come early 8-9 am, and leave right after lunch. You will still have time for your "honey-do" list to get things done around your home. For you Seniors that are looking for a way to minister...we need you! Your involvement encourages me and the staff.

Yesterday I met our newest missionary family, who had been living with family members. How exciting it was to see their children playing at the Wreck Center. Then I saw another missionary dad walking out of Dad's Country Store with groceries. Siloam is an "oasis" and a huge encouragement to them. This is all part of the Great Commission – using our giftedness to encourage these missionary families so they can leave here refreshed and renewed.

I am excited about what God is doing here and look forward to sharing with you in the coming weeks the blessings He has given our staff and the families living here.

In closing, the Lord has reminded me of Eph. 3:20 *"Now unto Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us."*
