### For He Hath Done Marvelous Things

Oh, sing unto the Lord a new song...Ps. 98:1

Some of you may have heard that our farm truck burned up last month.

We had taken it to a mechanic to have some work done on it. He was getting ready to check it out and so started it and was going to let it run for a few minutes. He went into his shop to get something and while in there, the truck burst into flames! They were not able to save it, even though they called in firemen. We were told that it was a miracle that no one got hurt. Praise the Lord for His protection!

"Oh, sing unto the LORD a new song; for He hath done marvelous things; His right hand, and His holy arm, have gotten Him the victory!" Ps. 98:1

When we called our insurance company, they advised us that it was covered under "comprehensive," which we had not even thought about. The underwriter came and took pictures and talked to the mechanic. After he was done with his report, he called Larry to tell him that they would give us \$3,900 for it. We were shocked! We never expected that much for the old farm truck!

So, Larry began to look for a replacement.

After paying \$3,800 for the truck and \$183 for tags and licence, this beautiful truck only

After several weeks, talking to many people, looking at several trucks,

cost us about \$80!

Rachel is using this at Camp Glory Farm. She is thrilled and thankful for how God answered prayer and provided for this need!

he finally decided on a 2001 Dodge Ram that he had found on Craig's List. When he called the young man who owned it, he said that it was still for sale.

So, last week, we drove over to where the truck was, got the title signed over to Siloam, and were getting ready to leave when the young man looked at us and said, "Wait a minute, I want to pray over you and the truck!" What a blessing it was as we listened to him ask the Lord's blessings over us and the truck!
