

Siloam Missionary Homes

A place missionaries call home

November 22, 2016

Dear Friends of Siloam,

Greetings in the wonderful name of our Savior and Lord Jesus Christ. I pray that today you and your family are doing well.

I wanted to give you and update on the progress of the 25th Anniversary House that is to be built. To date, we have received \$39,420.39 towards the project. The goal is that when we have \$100,000 in hand, it will provide us enough funds to completely dry in the house, or in other words, to protect it from the weather. We have sold the single wide that will be replaced with this home and they are in hopes to move it over the next couple of weeks. There is water, electric and septic already there and we only need to remove 5 trees.

With selling the mobile home, that means we have one less missionary home until the house is done. We had a missionary family scheduled for the trailer and also had a missionary family that had to come home because of an emergency. So, one of the families will be moving into our house and we are moving into our RV for a month then we will move into Unit G until the missionary family goes back to the field in January. We will then see the progress of the house and may move back into our house until the house is completed. After living in our home for 18 years, we have a lot of things to sort. But we have plenty of time. I cling to a promise in 2 Corinthians 1:20 **"For all the promises of God in Him are yea, and in Him amen, unto the glory of God by us."** We believe we are doing what the Lord wants and we are willing to see Him glorified.

Another wonderful thing that happened was all the roads on the campus are getting new limestone. We praise the Lord for the \$4,000 gift that was giving to provide this. Randy Cardwell is hauling for us and has delivered 6 truckloads and plans to do the rest over the next couple of days. This is such a blessing as we have needed this for several years and it looks wonderful.

It is an exciting time, with Thanksgiving just around. Wake Christian Church is providing a Thanksgiving meal for all the missionary families again this year. I believe they have been doing this for the past 9 years.

Catch the Spirit of Christmas is our yearly open house and fundraiser the first weekend in **December, the 2nd and 3rd**. Come out for a lighted tour with lots of food, music, fellowship and much more! This will help us provide Christmas for our missionary families. Also, if you would like to adopt a family or a child, contact Milton and he will have someone for you. Thank you again for your prayers, and financial support for Siloam Missionary Homes. It's because of you that so many missionaries have a place to call home.

To God be the Glory,

Larry George
