### *Let the Son Shine In*

**A**s I write, I think about the New Tribes missionary wives that have been waiting six years for the release of their husbands who are being held captive by enemy guerrillas in Columbia, South America. The hardships and loneliness that they must feel and the need to keep their families together are a continual strain.

I also think about the numerous families that have been helped through Siloam Missionary Homes' provision of a home away from home. SMH has met their need for rest and a place to be together, where they can feel loved, safe and cared for. We know first hand the needs of these missionary families and do everything possible to keep their monthly housing expenses to a minimum so they can purchase the things they need to take with them when they return to the field.

The resources of SMH are challenged every day. We are a faith run ministry that allows a family to stay for basically the cost of utilities and a small maintenance fee.

This spring, we have started a "Let the Son Shine" campaign. Enclosed is a packet of flower seeds for your garden. We at Siloam have planted some of these for our missionary families to enjoy and wanted to share them with you. What joy and comfort flowers bring, as we look outside and see the signs of spring everywhere—a little touch of God's love through nature.

When you plant your flowers, remember to pray for us and the families here at SMH. When your flowers bloom, remember to "let the Son shine" in your lives!

When SMH was established in 1992, our ministry was the same as it is today – to minister to the saints.

*"For God is not unrighteous to forget your work and labor of love which ye have shown towards His name, in that ye have ministered to the saints and do minister." Heb 6:10*

**We have a responsibility one to the other!**

Many of you have demonstrated your love by your support of Siloam. Please do so, once again, with a generous donation to our spring "Sonshine" campaign. Your gift of \$12, \$18, or \$25 will strengthen SMH and allow us to continue our mission in support of missionaries and their families. Thank you for your kindness, and God bless you.

A sower for Jesus,

Larry George

P.S. Would you take a picture of you and your family planting your sonshine seeds, and send us one? We'd like to put as many of them in our newsletter as possible. Thanks!
