Merry Christmas from Siloam Missionary Homes!

"Therefore the Lord Himself shall give you a sign; Behold a virgin shall conceive, and bare a son, and shall call his name Emanuel." Isaiah 7:14

What a glorious fulfilled prophecy foretelling Jesus' birth years before Mary was born. And to realize that almost 2000 years after our Lord's birth, we celebrating not only His birth, but His resurrection as well.

I was just looking over our Christmas letter from last year, and find it hard to believe that we were looking forward to moving into the new "Rev. Stanley Office Building" and that we were in need of a new computer as a Christmas project. I am writing this letter in that office, and this letter is being printed on our new computer system! Praise the Lord!!

On Sunday, November 22nd, we had an open house of the "Simmons Home", the newly completed and completely paid for, director's home. Isn't it exciting to see the mighty hand of God at work? He is our Jehovah-Jireh "God will provide."

Each year, SMH has a special Christmas project that we like to involve you as part of our missionary family. This year, we have a special need to finish a much needed tractor building. This 26' x 32' building will be used to store building material, a tractor and equipment, and will also be used as a work area. Last summer, we had several church groups install poles and the top sill for the sidewalls. We need to finish enclosing the building. If you would like to help us with this, please designate your gift on the enclosed slip.

I do hope and pray that 1998 has been a great year for you and your family. Your prayers and financial support to this ministry have been such an encouragement and blessing to us and all the folks that have stayed here. On behalf of the board of directors of Siloam Missionary Homes, and the staff here, we would like to say "Thank you and have a very Merry Christmas and a Happy New Year," as we serve the Lord with great anticipation of His glorious return.

Rejoicing in the birth of our Savior,
